

Tell Me About...

A few questions for people you would like to know a little better.

BEFORE WE MET

What did you do for fun before
I knew you?

SOMETHING THAT STAYED

Who taught you something
you still use?

YOUR VERSION

What story does everyone else
tell wrong?

JUST CURIOUS

What would you enjoy
learning, even if you never got
particularly good at it?

A PLACE YOU REMEMBER

What ordinary place from
your past would you like to
visit again?

STILL FUNNY

What small disaster can you
laugh about now?

Cut out the cards or choose one from the page. Skip any you'd rather leave alone.
